

Project Description

The Bureau of Land Management (BLM), Mount Lewis Field Office (MLFO) has created a Herd Management Area Plan (HMAP) and Gather Plan Environmental Assessment (EA) for the Callaghan Complex, which encompasses 4 Herd Management Areas (HMAs). The HMAP and EA will guide future management of the Complex and the wild horses and burros within it.

What's New

08/04/2025-BATTLE MOUNTAIN, Nev. –The Mount Lewis Field Office has developed a Herd Management Area Plan (HMAP) and Gather Plan Environmental Assessment (EA) for the Callaghan Complex. The Callaghan Complex is comprised of the Bald Mountain, Callaghan, South Shoshone and Hickison (portion North of U.S. 50) Herd Management Areas. A 30-day public scoping period will begin on 08/04/2025 and will end on 09/03/2025.
